

Speedway Fundraiser

This is a fun and exciting fundraising activity for the parents and older kids to participate in (kids must be at least 16 to participate). The Corona Aquatics Team has agreed to man a merchandise booth at this February's Speedway race. The team earns a commission of 8% on total gross sales to help with our financial needs throughout the year.

Please sign-up for a work activity below. See David, Todd, or Joy if you have any questions.
